- 15%, 30% and 100% pcw fiber choices
- Exceptional opacity
- Even, consistent formation
- Manufactured with windpower
- Acid free

Mohawk Color Copy Premium™ with i-Tone

Neon White is the brightest, smoothest color copy paper. Now made with i-Tone and FSC certified, it provides best-in-class results for premium color copy applications including HP Indigo presses.

Mohawk Color Copy 98™

98-bright Bright White, with its super smooth finish, is the new quality standard for volume color copying.

Mohawk Color Copy 100% Recycled™

PC White is the ultimate high performance 100% pcw color copy paper. FSC and Green Seal certified.

Mohawk Color Copy Gloss™

96-bright Pure White features a gloss coated finish for brilliance, superior runnability, image quality and performance. 15% pcw fiber and Green Seal certified.

Mohawk Color Copy Ultra Gloss™

White high gloss, cast coated one side for premium color copy applications. 30% PCW and Green Seal certified.

Performance Guarantee

Mohawk Fine Papers guarantees that Mohawk Color Copy papers will perform in your laser printer or copier within the limits outlined by your equipment manufacturer. The uncoated papers in the line are suitable for desktop inkjet printers. The coated papers are exclusively for dry-toner laser imaging.
