www.mohawkpaper.com

Now FSC certified using the finest premium pulps from sustainably-managed forests, Mohawk Superfine is the pinnacle of the papermaker's art. With perfectly tuned white shades that add understated elegance to any design, Superfine is the best choice for high-end corporate communications, prestigious packaging, and fine-art limited-edition books and prints. Legendary formation yields extraordinary print quality and a highly receptive printing surface for dense, rich solids and natural four-color process reproduction.
