- NEW Warm White i-Tone items in Felt & Linen
- Via Digital items made with i-Tone™
- 30% PCW and 100% PCW fiber choices
- Manufactured with windpower
- Acid free and archival

Mohawk Via Smooth

A versatile, economical and reliable sheet, Via Smooth comes in an extensive range of sizes, weights and colors including five whites, seven solids, three fiber colors and watermarked writing.

Mohawk Via Linen

Via Linen offers a subtle finish, four whites, watermarked writing, and an expanded palette of eleven colors. Via Linen Digital with i-Tone provides brilliant image quality for toner-based printing.

Mohawk Via Felt

Via Felt provides a tactile, bulky feel, in six whites, ten colors and two fiber shades. Via Felt Digital with i-Tone provides brilliant image quality for toner-based printing.

Mohawk Via Vellum

With a toothy surface, Via Vellum helps everyday print projects to run just as planned. Via Vellum is available in six whites, twelve fresh, versatile colors and three fiber colors.

Mohawk Via Satin

An extremely smooth sheet in six whites, Via Satin delivers great ink holdout and exceptional print performance. Via Satin Digital with i-Tone provides brilliant image quality for toner-based printing.

Mohawk Via Laid

Via Laid offers a traditional laid finish which helps communicate quality. Via Laid is available in three whites and three subtle colors.

Mohawk Via 25% Cotton Writing

Available in Smooth and Light Cockle finish, Via's complementing writing papers provide a upscale feel, a genuine watermark, and a laser guarantee.

For samples and to buy reams and envelopes contact your local merchant or visit www.mohawkpaperstore.com

* Mohawk writing and digital items are guaranteed to perform in your laser printer, copier or plain paper fax within the limits outlined by your equipment manufacturer.
