RUBBER BASE PLUS®

The Ultimate in Quality for Printing on Uncoated Papers...

Rubber Base Plus has always been and continues to be the most widely used small offset press printing ink around the world. It stays open on the press for days at a time eliminating the need and time of costly wash ups, and it will not skin in the can. It sets rapidly on uncoated papers making it the ideal ink for quick turn-around.

Rubber Base Plus is available in a dense all purpose intense black and 29 standard vivid colors. Packaging is in lock top one and five pound metal cans.
