Premium Digital Coated Papers

Smooth Sailing for Many Printing Technologies

Excellent Performance in a Wide Range of Sizes

Developed especially for today's rapidly growing digital printing market, our versatile digital coated papers suit a variety of applications. Smooth printing surfaces, superior gloss, high opacity, and excellent body deliver true color reproduction plus the outstanding runnability and bindery performance that define Nekoosa.

- Developed for multi-purpose printing needs
- 10% post-consumer fiber
- Exceptional coating for smooth, consistent surfaces
- Quick-drying for improved turnaround times
- Superb dot fidelity
- Made in the USA
- Packaged in Nekoosa-branded moisture barrier cartons
- Custom sizes and pre-punched options available
