***Thermanent***<sup>®</sup> Digital Polyester

**Engineered for  
high-heat laser  
printers and  
photocopiers**

- Waterproof
- Flexible
- Tear-proof
- Superb imaging
- Runs like paper

# Thermanent® Digital Polyester

Developed especially for high-heat laser printers and photocopiers, *Thermanent* offers extreme strength, flexibility, and durability. This revolutionary polyester film produces beautiful images that last even in the harshest environments. Why waste time and money laminating when you can run *Thermanent*?

## Harness the Power of Heat Fusion to Deliver Brilliant Images That Last

### Performance that Pays in the Toughest Environments

- Eliminates laminating
- Incredible tear-strength
- Prints and looks like regular paper
- Extremely durable yet very flexible and lightweight
- Excellent opacity
- Chemical-resistant
- Waterproof and greaseproof
- No shrinking or swelling when exposed to heat or moisture
- Beautiful, permanent images even in the harshest environments
- Perfs and punches beautifully
